Desired Start Date:	@ Sept 2026	More information:	Clarke_je@yahoo.com

Port Credit Yacht Club is a vibrant, year-round waterfront community, welcoming for boaters and non-boaters alike. With a rich calendar of on-water activities, exceptional dining, and engaging social events for all ages, PCYC offers a meaningful way to spend time on the lake.

The club seeks an experienced accounting professional who can quickly understand the dynamic environment of clubs. The club desires an effective communicator to the management team and finance committee. The successful candidate will manage all aspects of the financial reporting, government requirements, payroll reviews, budgeting and capital planning oversight. This is a great opportunity for the new Controller to be a key contributor in reshaping and modernizing the financial reporting structures at the club.

More about Port Credit area of Mississauga & the Club

Port Credit is a vibrant, walkable lakeside neighborhood in Mississauga, Ontario, located at the mouth of the Credit River on Lake Ontario. Known as "Mississauga's Village on the Lake," it features a marina, over 400 businesses, top-tier restaurants, and popular events.

The Port Credit Yacht Club is a modern, community-oriented yacht club where both power and sail enthusiasts feel at home. With a vibrant social scene, exceptional waterfront amenities, and a deep connection to boating culture. Founded in 1936, Port Credit Yacht Club has been a cornerstone of sailing and waterfront life on Lake Ontario for nearly a century. What began as a small group of passionate sailors has grown into a vibrant, multi-generational club known for its strong community, active programs, and deep connection to the lake. PCYC's traditions are shaped not just by racing and cruising, but by the friendships, mentorship, and shared experiences that keep members coming back year after year.

Key Responsibilities

The Controller will report directly with the General Manager but also provides support to the Club's Finance Committee with all relevant information of the day-to-day operations as well as capital planning and budgets.
